All Has Root in Wisdom.  
Our highest hopes are often de-  
stroyed to prepare us for better  
things.—William George Jordan.

It is now well known that not more  
than one case of rheumatism requires  
any internal treatment whatever. All  
that is needed is a free application of  
Chamberlain's Liniment and massage-  
ing the parts at each application. Try  
it and see how quickly it will relieve  
the pain and soreness. Sold by all  
dealers.

Old Man Had Been Thinking.

asked for her hand?" "Said he'd been  
wondering what I had been passing  
him two-for-a-quarter cigars for so  
regularly of late."—Detroit Free Press.

## DECIDE YOURSELF

The Opportunity Is Here, Back-  
ed By Paris Testimony.

Don't take our word for it.  
Don't depend on a stranger's state-  
ment.  
Read Paris endorsement.  
Read the statements of Paris citi-  
zens.

And decide for yourself.  
Here is one case of it:  
Mrs. A. C. Crawford, E. Tenth  
street, Paris, Ky., says: "Although  
I never had occasion to take a kidney  
medicine myself I know what Doan's  
Kidney Pills will do, for they have  
been used in our family. One of us  
was suffering from back ache and  
pains through the kidneys and the  
action of the kidneys was irregular.  
Doan's Kidney Pills gave splendid re-  
sults."

Mr. Crawford is only one of many  
Paris people who have greatly en-  
dorsed Doan's Kidney Pills. If your  
back aches or your kidneys bother you,  
don't simply ask for a kidney remedy—  
ask distinctly for Doan's Kidney  
Pills, the same that Mrs. Crawford had—  
the remedy backed by home testi-  
mony. 50c all stores. Foster-Milburn

### Ban on Certain Trees.

Prof. Arthur M. Miller, dean of the  
College of Arts and Sciences, and pro-  
fessor of geology at the Kentucky  
State University, has written an inter-  
esting paper on the proposed arboretum  
for the Capitol grounds at Frank-  
fort in which he points out the difficul-  
ties in the way of having each county  
in the State represented by a separate  
species of tree, and mentions the objec-  
tion which any county would have to  
being typified by the sassafras or per-  
simmon, everywhere standing for poor  
land, and the unpoetic association of  
the pignut. Prof. Miller suggests that  
before it is too late a section of a  
mammoth Kentucky oak should be se-  
cured, on which, when polished as a scroll,  
the principal events of Kentucky's  
history should be recorded, making  
it similar to the famous tablet in the  
Kensington Museum in England. Prof.  
Miller's paper contains a striking and  
instructive history of the native trees  
of Kentucky.

There is no real need of anyone be-  
ing troubled with constipation. Cham-  
berlain's Tablets will cause an agree-  
able movement of the bowels without  
any unpleasant effect. Give them a  
trial. For sale by all dealers.

### Slightly Selfish.

Howell—Is he a public-spirited man?  
Powell—You can judge for yourself;  
he says that he cares not who cures  
the ill of the country if he can get  
the doctors' fees.

### Could Shout For Joy.

"I want to thank you from the bot-  
tom of my heart," wrote C. B. Rader,  
of Lewisburg, W. Va., "for the won-  
derful double benefit I got from Elec-  
tric Bitters, in curing me of both a  
severe case of stomach trouble and of  
rheumatism, from which I had been  
an almost helpless sufferer for ten  
years. It suited my case as though  
just made for me." For dyspepsia, in-  
digestion, jaundice, and to rid the sys-  
tem of kidney poisons that cause  
rheumatism Electric Bitters have no  
equal. Try them. Every bottle is  
guaranteed to satisfy. Only 50 cents  
at Oberdorfer's.

### A Plato! By His Logic.

"What will the woman of tomorrow  
be?" sighed the pensive person. "Oh,  
a year or two younger than she is to-  
day," replied the one who had rea-  
soned such things out.

### STOCK, CROP AND FARM NOTES.

—Two loads of choice cornfed steers,  
one load of twenty steers which aver-  
aged 1,327 pounds, shipped by Mc-  
Campbell & Wakefield, of Shelby  
county, Kentucky, and one lot of seven-  
teen head, averaging 1,380 pounds,  
shipped by Col. Wm. T. Lee, of Bullitt  
county, Kentucky, were sold on the  
Louisville market at 8 1/2 cents per  
pound, which is the highest price per  
pound at which cattle have been  
sold on that market in carload lots  
since the close of the Civil War.

—The Paynes Depot section of Fayette  
county was visited by a heavy hail  
storm at a late hour Monday night,  
which did considerable damage to the  
growing crops. The storm lasted about  
twenty minutes and the tobacco was  
riddled and early crops, which had  
grown to considerable size, were de-  
stroyed. Corn suffered greatly.

—Tobacco growers of Nicholas  
county report that the tobacco crop,  
the transplanting of which was com-  
pleted about a week ago, is doing fine  
and an excellent stand has been se-  
cured. It is reported that the prospects  
for a large crop are the best in years.  
The prospects for corn, which have  
been very gloomy, are reported great-  
ly improved.

Danville Messenger.—Col. C. R.  
Anderson was exhibiting some samples  
of wheat grown on his farm this year.  
Some heads of late sown wheat contain  
six or seven grains to the mesh while  
some early wheat, which is much  
thicker on the round contains almost  
as many.

FLEMINGSBURG COURT.—The  
Gazette says: Small crowd in town  
yesterday, but a big run of cattle. R.  
S. Hudson reports 1,100 here and all  
sold but 150 at 25 less than last court.  
Few choice steers sold at \$5.60, but  
the bulk went at \$5.25; few best heifers  
at \$5.35, with the bulk selling at  
4 3/4 to 5c. Two hundred sheep here  
and 80 sold at \$4.00 per head Mr.  
Hudson sold 20 short yearlings at  
\$3.00; 11 common steers \$21.35; 9  
2-year-old at \$25; 5 heifers at \$22.50  
Nothing much doing in horses.

## Your Dollar Buys More

When you buy a Studebaker-E-M-F "30" or Studebaker-  
Flanders "20" you get more for your money, dollar for  
dollar, than in any other car built.

There may be other good cars—but what is their price?  
That's the rub. If they really are good cars, they neces-  
sarily cost more because comparatively few are built. Some  
poor cars, you know, are high priced too, so that the dealer  
can fool you by cutting the price. What a car is really  
worth, not what it costs, should be your standard.

The Studebaker Corporation has the largest and best  
automobile factories in the world. We could build and sell  
any competing car today for less money than its present  
price. In your Studebaker-E-M-F "30" or Flanders "20"  
you get full value, because the biggest factories and the  
best brains in the industry build these cars.

Studebaker-E-M-F "30" Touring Car, standard equipped,  
f.o.b. Detroit \$1100. Equipped as above with Top,  
Windshield, Prest-O-Lite Tank and Speedometer, f.o.b.  
Detroit \$1190.

### Deafness Cannot be Cured

by local applications, as they cannot  
reach the diseased portion of the ear.  
There is only one way to cure deafness,  
and that is by constitutional remedies.  
Deafness is caused by an inflamed  
condition of the mucous lining of the  
Eustachian Tube. When this tube is  
inflamed you have a rumbling sound or  
imperfect hearing, and when it is en-  
tirely closed, Deafness is the result,  
and unless the inflammation can be  
taken out and this tube restored to its  
normal condition, hearing will be de-  
stroyed forever; nine cases out of ten  
are caused by Catarrh, which is noth-  
ing but an inflamed condition of the  
mucous surfaces.

We will give One Hundred Dollars  
for any case of deafness (caused by  
catarrh) that cannot be cured by Hall's  
Catarrh Cure. Send for circulars free.
